

# CELEBRATING A <sup>100</sup> CENTURY OF SUCCESS

For the past 100 years, Reitz Memorial High School has encouraged each student to be more like Christ through the formation of the whole person while instilling a love for lifelong learning, service to others, and our rich traditions. We do this in the classroom, on the field, on the court, on the stage, and in our community.

The call to form disciples and leaders is as relevant as it was 100 years ago. The world needs leaders of virtue and moral character, and we are on a mission to equip our students to meet the challenges of tomorrow through transforming their hearts and minds today.

The Celebrating a Century Centennial Campaign is a \$10 million investment to ensure our students graduate as faith-filled leaders of virtue who are ready to tackle 21st century challenges. You play an important part in achieving this vital mission.

## **THIS CAMPAIGN WILL**

- » Enhance educational excellence by developing students academically, spiritually, and socially.
- » Recruit, support, develop, and retain high quality faculty.
- » Invest in facilities to advance the education of the whole student
- » Plan for future success and viability.

Please join this important effort to build the kingdom of God at Reitz Memorial.
